

SHRI RAM CENTENNIAL SCHOOL

Learning For Tomorrow
www.sracsagra.org

School Vision & Mission

Vision

To become a comprehensive education centre with a reputation for excellence in academics, co-curricular programmes and career development which will act as a model of creative and innovative solutions that meet the changing educational, emotional and physical needs of the Students.

The community will be enhanced through a variety of social, recreational and cultural activities to ensure the overall growth of the young minds.

Mission

- * To guide Students to become productive and contributing members of the society.
- * To provide a school community which has a safe and caring environment that promotes respect, self worth, creativity and academic growth.
- * To encourage all members of the school community to work collaboratively - a process that includes good communication, shared decision making and accountability.
- * To inculcate a learning process in which all can participate and succeed - a process that enhances innovation, risk-taking abilities and challenges one's personal limits by continuously raising the bar.
- * To ensure that the imparted education is responsive to the changing needs of our students, staff and community.
- * To foster the intellectual, emotional and physical well-being of each student.
- * To nurture diversity for the strength it brings to education.
- * To promote education as a lifelong process that fosters personal and positive growth.

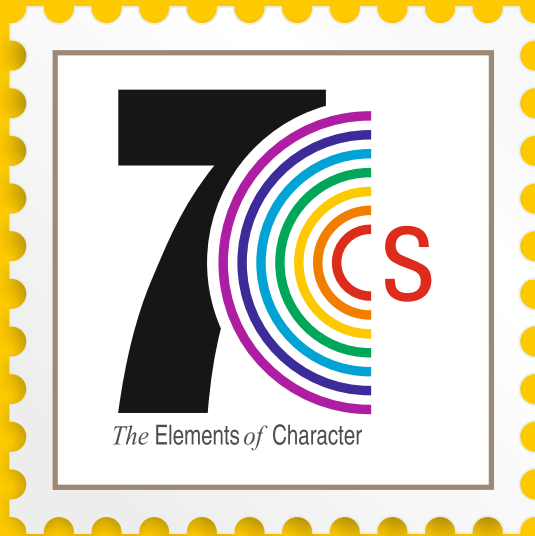

Welcome to the world of SRCS

Shri Ram Centennial School, Agra is a CBSE based co-educational school. It is an initiative of the Shri Ram Education Trust and Satyawati Subodh Foundation which adds a whole new dimension to the renowned Shri Ram legacy in education. The Shri Ram name has been synonymous with excellence in education for almost 100 years, with the Shri Ram family having created, supported and managed some of the country's finest educational institutions such as Shri Ram College of Commerce (SRCC), Lady Shri Ram College (LSR) etc.

Shri Ram Centennial School is an institution conceived to impart the best in education coupled with development of values and personality traits that breed achievers. Our pedagogy, curriculum and infrastructure are carefully designed to develop thinking skills, such as logic, reasoning and creativity in all our children, while they retain the simple joy of coming to school every day. We believe in education that exceeds beyond the walls of the classroom. Children are provided with opportunities to explore and express their ideas and feelings through visual arts, drama, dance, music, sports and experimentation as they interact with a variety of materials. They participate in individual as well as group activities. In this process the child is not only kept active but also involved. Thus the school provides a very supportive environment that is most conducive for a child's holistic development.

COMPASSION

COMMITMENT

The Shri Ram name has been synonymous with excellence in education for over 100 years, therefore the term “Centennial”. The vision and philosophy that has inspired every Shri Ram educational initiative is expressed in Sir Shri Ram’s very words:

“Education is the key which will unlock India’s great potential as an industrial nation”

The Shri ram family has created, supported and managed some of the country’s finest educational institutions- Shri Ram College of Commerce, Delhi and Lady Shri Ram College, Delhi. Carrying forward the legacy, Shri Ram Educational Trust(SRET),has set up the Shri Ram Centennial School, Agra. It is an institution conceived to impart the best education coupled with development of values and personality traits that breed achievers as education is the most powerful weapon which can be used to change the world.

School Infrastructure & Activities

SRCS provides an infra-structure in which the Students can have optimum development. The classrooms are spacious and well ventilated.

The School focuses on various Sports activities like Swimming, Squash, Badminton, Lawn tennis, Table tennis, Football, Cricket, Taekwondo, Wushu, Skating etc. There are Indoor games like Carrom and Chess as well.

The youngsters have the Kids Play Area to play and enjoy. The Discovery Room is a wonderful space in which the young Students explore, read, enact and gain confidence. It offers toys and games designed to foster learning through play.

We have a well stocked Library for the Children to read and widen their mental horizons. The Art and Craft room gives ample scope to our Students to express their creative ideas. The state of the art Physics, Chemistry and Biology Labs provide Students with the opportunity to observe, experiment and learn. The Math Lab, the Music Room and the Dance Room enhance Student learning and hone their talents. The Computer Lab provides Students access to specialized computer literacy.

Guidance from a professional Counselor is necessary for Children of all age groups. Keeping this in mind we have an in-house Counselor Ms Rachna Saxena. Students, Parents and Teachers are free to contact her after a prior appointment. The School Infirmary has a First-aid box, comfortable beds and an attendant to look after Children who are not feeling well.

The Mini Auditorium is a centrally located unit in which many activities of the School are held.

The Annapurna Mess is our own indigenous cooking and eating area. The School kitchen provides freshly cooked and nutritious meals.

School Events

The day at SRCS begins with a Class Assembly. Special Assemblies are held once in a year. They serve as a platform where Children can exhibit their talents in front of their Parents. Class designations and Certificates are given on this day.

During the Investiture Ceremony the newly formed School Cabinet is endowed with their sashes and badges.

There are several Inter-house and Inter-class competitions in which Students participate. Just a Minute, Show and Tell, Talent Hunt, Debates, Elocutions, Singing and Dancing Competitions , G K Quiz, Flower and Fruit decoration, Rangoli, Art & Science exhibitions are some such events. There are Inter-house Basketball, Tennis, Football, Squash and Badminton Competitions.

We also have the Sports day and Annual Function in which Students participate enthusiastically.

About Pre-School

**Education is a journey of discovery.
an adventure that shapes future generations**

The first 5 years of a Child's life are the wonder years. The years of intense curiosity, the years with a great love of learning, the years of bonding, the years that make a life-long impression. It is the time when children embark on their journey of discovery. Discovering the environment around them, their own abilities and skills, self-belief and the joy of knowledge.

Appropriate school activities lead to the all-round development of the Children and make them achieve their maximum potential. There are lots of different activities for Kids at Shri Ram Centennial Pre-School. The pre-school has its own Discovery Room that allows Students to learn and discover through imaginative play. A Library which plays an important role in fostering the love for reading at a very early stage. An Audio-Visual Room that transforms a usual classroom into a fun loving environment. Simple, easy and fun activities set the foundation for better learning and development of the Child.

From the Pre-School Principal

Brain development is the highest during the first four years of life. These first four years are crucial for a child to be nurtured in such a fashion that they can learn skills in a stress free environment that will be helpful in their academic and personal development later in life.

Shri Ram Centennial School is synonymous with quality preschool education. Along with primary emphasis purely on academic skills at our school, there is an emphasis on exposing a child to basic social skills in a group setting. At SRCS, your child will have the opportunity to have a structured morning of music, art, stories and outdoor activities. Children are going to learn self-help skills, share responsibilities, work in groups and be winners for life. At Shri Ram Centennial School, Agra we look at education as "not just filling of a pail but the lighting of a fire." Our school is a meaningful and joyful place of learning where children dare to dream, think beyond self and be equipped with values, trust, honesty and confidence. Our school is a place where teachers are not just educators but facilitators of the joyful learning process and together they discover themselves.

**Mrs. Deepa Arya
Principal, Pre-School**

**Dr. Subodh Kumar Gupta
& Smt. Satyawati
Chairman & Chairperson**

From the Chairman

It is a matter of great pride that we have been able to provide a world class, competitive, holistic and child centered education through our Foundation. Our bright and happy kids speak volumes in terms of our endeavor. We are confident of doing the same in providing the best education that fosters creative thinking and innovations that will help to improve the quality of our Student's life who in turn will be responsible nation builders. We wish to inculcate in our Students a concern for others.

A state of the art campus has been created by us to provide our Children with a good infrastructure. Excellence is a mindset and we wish to realize it in our students.

From the Senior School Principal

"Education awakens the power and beauty that lie within us." Education does not only mean academic excellence. It rather is a harmonious and synchronized combination of hand (skills like various Arts), head (Intellectual Power) and heart (Value System). In the present era of digitalized world, it the biggest challenge before educators and parents, to nurture the young minds with the indelible impressions of holistic education.

Therefore, SRCS has come up with a vision to foster different facets of a student in order to see him/her developing as a vibrant student, responsible citizen and above all a generous and sentient human being. Our pedagogy is child centric, with emphasis on over- all growth and development of our students.

The school is well equipped with surplus facilities like spacious classroom, Science and Computer laboratories, Music and Dance Room, Art and Craft Room, Splashpool, Swimming Pool, Lawn Tennis Court, Basket-Ball Court, Auditorium, Well Stocked Library, Dynamic School Website and Automatic SMS System, High End Technology comprising School Management Software for administration of the school, Safe Transport System , CCTV Surveillance, immaculate Mess and Infirmary.
